18.4 Customer agrees that this section represents a reasonable allocation of risk, that this section is an essential element of this Agreement and that in its absence; the economic terms of this Agreement would be substantially different.

18.5 This limitation applies whether the alleged liability is based on contract, tort, negligence, strict liability, or any other basis, even if The Star4x or any of its subsidiaries, affiliates or agents has been advised of the possibility of such damage.

18.6 Neither The Star4x nor any of its subsidiaries, affiliates or agents has liability or duty of indemnification related to unusable data, lost or corrupt Customer transactions or data, by whatever means, in whatever form.

18.9 As OTC is not an exchange traded market, prices at which The Star4x deals at or quotes may or may not be similar to prices at which other OTC market makers deal at or quote.

18.10 Should a quoting or execution error occur, which may include, but are not limited to, a mistype of a quote, a quote that is not representative of fair market prices, an erroneous price quote from a dealer or erroneous price quote due to failure of hardware, software or communication lines or systems or inaccurate external data feeds provided by third-party vendors, The Star4x will not be liable for the resulting errors in account balances. Without derogating from the above, in the event that transactions shall be closed or opened based on the Erroneous Quote, The Star4x's trading room attempts to recognize such event and to act promptly to reset such event. Customer acknowledges that the reset process may take time, during which Customer may not be able to use its trading account, and outstanding orders may not be executed.

18.11 In case The Star4x will identify an erroneous quote or an outdated quote, it may offer the Customer an alternative quote or alternatively to continue the transaction, all at the sole discretion of The Star4x.

FLUCTUATION RISK

19.1 If Customer directs The Star4x to enter into any Forex, CFDs, Options and Spread Betting transaction:

(ii) All initial and subsequent deposits for margin purposes shall be made in U.S. Dollars, EUROS, Great British Pounds or Japanese Yen in such amounts as The Star4x may in its sole discretion require; and

(iii) The Star4x is authorized to convert funds in Customer's account for margin into and from such foreign currency at a rate of exchange determined by The Star4x in its sole discretion

on the basis of the then prevailing money market rates.

20. INDEMNIFICATION

20.1 Customer agrees to indemnify and hold The Star4x, its subsidiaries, affiliates, agents, employees, agents, successors and assigns ("Ava Indemnities") harmless from and against any and all liabilities, losses, damages, costs and expenses, including attorney's fees, incurred by any of The Star4x indemnities arising out of Customer's failure to fully and timely perform Customer's obligations herein or under any Third Party License or should any of Customer's representations and warranties fail to be true and correct.

20.2 Customer also agrees to pay The Star4x indemnities promptly all damages, costs and expenses, including attorney's fees, incurred in the enforcement of any of the provisions of this Agreement and any other agreements between The Star4x and Customer.

20.3 In addition to any limitations of liability specified elsewhere in this Agreement, The Star4x indemnities shall not be held liable and are released from all claims and losses incurred in such regard if the claim or loss was caused or contributed to by:

- (i) The actions or omission to act on the part of Customer,
- (ii) Any act or omission by any person obtaining access to Customer's account, whether or not Customer has authorized such access or not,
- (iii) System malfunction, equipment failure (whether Customer's equipment or The Star4x equipment), system interruption or system unavailability,

GENERAL TERMS & CONDITIONS

- (v) Inaccurate or incomplete instructions received by The Star4x from Customer, or
- (vi) Any reliance or use by Customer or any other third party with access to Customer's account of any financial and market data, quotes, news, analyst opinions, research reports, graphs or any other data or information whatsoever available through the trading platform or any Third Party License, whether to complete a transaction on the trading platform or for any other purpose whatsoever.

20.4 The Star4x shall be entitled to set off Customer's liabilities under this section from Customer's account.

21. MARKET ABUSE AND MANIPULATION

21.1 PROHIBITION ON ARBITRAGE AND MANIPULATION

21.1.1 The Star4x does not permit the practice of arbitrage when trading and strictly forbids any form of manipulation of its prices, execution, and platform or making transactions based on errors, omissions or misquotes on the The Star4x platform.

21.1.2 Price latency, connectivity delays, and price feed errors sometimes create a situation where the prices displayed do not accurately reflect market rates. The concept of arbitrage and "scalping", or taking advantage of these Internet delays, cannot exist in an OTC market where the client is buying or selling directly from the market maker.

21.1.3 Any transactions that rely on price latency or price feed errors may be subject to intervention which includes the right to void any transactions which The Star4x has

determined to be a result of any of these practices, revocation of profits, widening of spreads, block of trading and any other necessary corrections or adjustments on the account without prior notice.

21.1.4 If The Star4x suspects or has reason to believe that Customer has abused the terms and conditions by hedging positions internally (using other trading accounts held with The Star4x) or externally (using other trading accounts held with other brokers), The Star4x reserves the right to cancel any trades or profits associated with Customer's account(s).

21.2 MARKET ABUSE

21.2.1 The Star4x may hedge our liability to you by opening analogous positions with other institutions or in the underlying market. The result of our doing this is that when you trade with us your trades can, through our hedging, exert a distorting influence on the underlying market for that index, in addition to the impact that it may have on our own prices. This creates a possibility of market abuse.

GENERAL TERMS & CONDITIONS

Page 20 of 37

21.2.2 Customer represents and warrants, and agrees that each such representation and warranty is deemed repeated each time Customer opens or closes a position that:

(a) Customer will not place and has not placed a trade with us relating to a particular index or any other CFD price if to do so would result in Customer, or others with whom Customer is acting in concert together, having an exposure to the price of the underlying financial instrument which can create a situation of market abuse.

This exposure can be equal to or exceeding the amount of a declarable interest in the relevant financial instrument. For this purpose, the level of a declarable interest will be the prevailing level at the material time, set by law or by the stock exchange(s) or other exchange upon which the underlying financial instrument is traded; and

(b) Customer will not place and has not placed a trade with us in connection with: (i) a placing, issue, distribution or other analogous event;

(ii) an offer, take over, merger or other analogous event; or

(iii) any other corporate finance style activity, in which Customer is involved or otherwise interested; and

(c) Customer will not place or close a position and Customer will not place an order that contravenes any primary or secondary legislation or other law against insider dealing or market manipulation. Customer agrees that The Star4x may proceed on the basis that when Customer opens or closes a position or places an order on a share price, Customer may be treated as dealing in securities within the meaning of the relevant statutes or regulations.

21.2.3 In the event that (a) Customer places or closes any trade or places an order in breach of the representations and warranties given, or The Star4x has reasonable grounds for suspecting that Customer may have done so, The Star4x may at our absolute discretion and without

being under any obligation to inform Customer of our reason for doing so close that trade and any other trade or trades that you may have open at the time, if applicable, and also at our absolute discretion cancel any trades or profits associated with Customer's account(s)

21.2.4 Customer acknowledges that trade are speculative arrangements and Customer agrees that Customer will not enter into any transactions with us in connection with any corporate finance style activity.

21.2.5 Customer acknowledges that it would be improper for Customer to deal in the underlying market if the sole purpose of such a transaction was to impact on our bid or offer prices, and Customer agrees not to conduct any such transactions.

GENERAL TERMS & CONDITIONS

Page 21 of 37

22. EXECUTION OF ORDERS, STOP AND LIMITS

22.1 The Star4x will use commercially reasonable efforts to complete all orders which it may, in its sole discretion, choose to accept in accordance with the oral or written or computer instructions of Customer.

22.2 The Star4x reserves the right to refuse to accept any order.

22.3 The Star4x may, at its sole discretion, allow Customer to specify a closing price for a transaction at the trading platform through a "Close at Loss" and "Close at Profit" order, subject always to the terms of this Agreement and any other terms and conditions The Star4x may implement from time to time.

22.3.1 "Close at Loss" means an offer to close a transaction at a price determined in advance by Customer which, in the case of a transaction that is opened by offering to buy a specific number of a certain instrument, is lower than the opening transaction price, and in the case of a transaction that is opened by offering to sell a specific number of a certain instrument, is higher than the opening transaction price.

22.3.2 "Close at Profit" means an offer to close a transaction at a price determined in advance by Customer which, in the case of a transaction that is opened by offering to buy a specific number of a certain instrument, is higher than the opening transaction price, and in the case of a transaction that is opened by offering to sell a specific number of a certain instrument, is lower than the opening transaction price.

22.4 Upon Customer's offer and The Star4x's acceptance of an order, Customer hereby authorizes The Star4x to close the transaction at the Close at Loss price or Close at Profit price, as applicable, and as agreed upon in the order, without further instruction from or notification to Customer.

22.5 The Star4x may, in its sole discretion, close the transaction when the price quoted by The Star4x on the trading platform equals the price accepted by The Star4x for such an order.

22.6 Customer acknowledges and agrees that The Star4x shall not be obligated to close a transaction which does not otherwise comply with any other limitations agreed upon with respect to such transaction.

22.7 Customer acknowledges and agrees that due to market volatility and factors beyond The Star4x's control, The Star4x cannot guarantee that a Close at Loss order will be executed at the level

specified in Customer's order. In such an event, The Star4x will close the transaction at the next best price.

GENERAL TERMS & CONDITIONS

Page 22 of 37

22.8 If, before Customer's "Limit Order" offer to open or close a transaction is accepted by The Star4x, The Star4x's quote moves to Customer's advantage (for example, if the price goes down as Customer buys or the price goes up as Customer sells) Customer agrees that The Star4x will execute the closing transaction at the Customer's specified price and not better. Customer agrees that The Star4x can retain such price movement for its own account.

22.9 Customer is aware that a part of The Star4x's revenues derives from the spreads on each transaction. The spread is the difference between the bid & the ask price of the price quote on a transaction. Therefore, in case the fair market price reduces The Star4x's spread in a specific transaction, The Star4x may, at its sole discretion, choose not to execute such transaction, in which case The Star4x may send Customer an amended quote for his consideration. The Star4x may complete a transaction at its sole discretion in case the fair market price does not affect The Star4x's spread from the transaction and / or increases it.

23. RISK ACKNOWLEDGMENT

23.1 Customer acknowledges that investment in leveraged and non-leveraged transactions are speculative, involves a high degree of risk, and is appropriate only for persons who can assume risk of loss of their entire margin deposit.

23.2 Customer understands that because of the low margin normally required in OTC trading, price changes in OTC may result in significant losses.

23.3 Customer warrants that Customer is willing and able, financially and otherwise, to assume the risk of OTC trading, and in consideration of The Star4x's carrying his/her account(s), Customer agrees not to hold The Star4x and any of its subsidiaries, affiliates or agents responsible for any losses incurred by Customer.

23.4 Customer recognizes that guarantees of profit or freedom from loss are impossible in OTC trading.

23.5 Customer acknowledges that Customer has received no such guarantees from The Star4x or from any of its representatives or any introducing agent or other entity with whom Customer is conducting his/her The Star4x account and has not entered into this agreement in consideration of or in reliance upon any such guarantees or similar representations.

23.6 The high degree of leverage that is obtainable in the trading of Forex, CFDs, Options and Spread Betting transactions can work against you as well as for you. Leverage can lead to large losses as well as gains.

23.7 During times of extreme volatility it can be difficult or impossible to execute orders.

24. MARKET RECOMMENDATIONS AND INFORMATION

24.1 Customer acknowledges that:

(i) Any market recommendations, signals and information communicated by any method of communication to Customer by The Star4x and any of its subsidiaries, affiliates, agents or

by any person within The Star4x does not constitute an offer to sell or the solicitation of an offer to buy any OTC contract, and that The Star4x does not provide investment advice

(ii) Such recommendation and information, although generally based upon information obtained from sources believed by The Star4x to be reliable, may be based solely on a broker's opinion and that such information may be incomplete and may be unverified, and

(iii) The Star4x makes no representation, warranty or guarantee as to, and shall not be responsible for, the accuracy or completeness of any information or market recommendation furnished to Customer and shall not be responsible for any loss or damage including without limitation any loss of margin or profits which may arise directly or indirectly from use or reliance on such recommendations or information.

24.2 Customer understands that Customer is solely responsible for assessing the merits and risks of any trade it may enter into with The Star4x whether as a result of information provided by The Star4x or otherwise.

24.3 Customer acknowledges that The Star4x and/or its officers, directors, affiliates, associates, stockholders or representatives may have a position in or may intend to buy or sell Forex, CFDs, Options and Spread Bets, which are the subject of market recommendations furnished to Customer, and that the market position of The Star4x or any such officer, director, affiliate, associate, stockholder or representative may not be consistent with the recommendations furnished to Customer by The Star4x.

24.4 Customer acknowledges that The Star4x makes no representations concerning the tax implications or treatment of any trading activity.

27.4 The Customer agrees to immediately inform us if the Customer's financial condition changes in such a way to reduce the Customer's net worth, liquid assets and/or risk capital.

28. NO SEPARATE AGREEMENTS

28.2 Customer understands that Customer must authorize every transaction prior to its execution unless Customer has delegated discretion to another party by signing The Star4x's limited trading authorization or as otherwise agreed in writing with The Star4x, and any disputed transactions must be brought to the attention of The Star4x's Compliance Officer pursuant to the notice requirements of this Customer Agreement.

In addition, Customer hereby acknowledges, agrees and understands that the use of a trading system, course, program, research or recommendations of an Affiliate, Trading Agent or any other third party will not necessarily result in profits, avoid losses or limit losses.
